6. Missing-Information Checklist

• Original signed Master Residential Lease Agreement — [RECOMMENDED] (CRITICAL)
Basis: Written lease is required evidentiary proof of agreed rent, security deposit terms, and cure provisions under GL c. 186, though oral tenancies at will remain lawful.
• Official Landlord Tenant Rent Ledger / Itemized Accounting of Arrears — [RECOMMENDED] (CRITICAL)
Basis: Required to verify disputed arrearage calculations, proper allocation of payments, and compliance with statutory late fee rules.

7. Clarification Questions for Handoff

• [Target: LEGAL_AID_WORKER] Can the client provide a copy of the January 15, 2024 Lease Agreement referenced in Plaintiff's Complaint?
Context: The court complaint explicitly relies upon Exhibit A (written lease agreement), which has not been uploaded to the case workspace.
Suggested Action: Request client copy of signed lease to examine termination clauses and cure covenants.
